

Pride Edinburgh 2025

Saturday 21st June

UNISON members will gather from all over the Lothians, the east coast and from even further afar to join in Pride Edinburgh 2025, arguably one of the best LGBTQ+ marches and events in Scotland.

UNISON Edinburgh, UNISON Lothian NHS, UNISON Scottish Ambulance Service & UNISON SEPA would like to invite all UNISON members, their friends and family members to join us in a **March of UNISON solidarity on Saturday 21 June.**

Recently the far right could not have failed to notice how easy it was to overturn the rights of our trans brothers and sisters, and how the political class rolled over without a whimper of real protest. Now for the first time in a long time all the hard fought for LGBTQ+ rights are in real danger.

NOW is the time for organised labour to rally behind our banners, our flags and with our comrades to say loud and clear that enough is enough, restore trans rights and stop the further roll out of trans-panic.

Let us all march in UNISON and solidarity.

10:00 Meet for coffee and croissant at **Origin Coffee** (where you can get your lippy on)

11:00 - 12:45 Meet for the Equality Network Stage for pre-rally speeches

12:30 - 1pm Meet for the march under our banners and flags outside Parliament main doors
